

**When you give to our church, you make a difference in our local community and the world.**

We give 10% of your paid pledge to local worthy causes and to our Church's Wider Mission. In 2011, that will total about \$45,000. You can help us give away even more to help the needy. *Step Up. Pledge Now. Pledge More.*

Remember, if you are making a **new pledge** this year, your pledge will be matched dollar-for-dollar. If you are **increasing your pledge**, the amount of your increase will also be matched by our Challenge Campaign.

**In 2011 our church spent \$20,000 to replace part of the Nursery School roof in 2011.** We also plowed money into a new tool shed, parsonage and garage repairs, setting up the Youth Room and side yard for the new Twos Program, and other capital projects. We were able to do this only because of the generosity of a few individuals. We are counting on more of you to step up and give generously to life of our church.

**The fabulous music which brings us so much joy and inspiration each Sunday and on holidays costs us \$61,300 per year.** Help us maintain the high quality of our music program.
